Yearly Limit

The maximum amount you can claim for a service per person, per calendar year. This limit resets on 1st January and doesn't 'roll over'.

Sub-limits

A limit within the yearly limit. It applies to a specific service or treatment within a broader service group. Once the sub-limit or yearly limit is reached, no more benefits can be paid for services provided in that calendar year.

Lifetime Limit

This limit applies to an individual, usually for orthodontic. Once the lifetime limit is reached, no more claims for this type of service are payable, even if you leave Bupa and start a new cover with us in the future.
